Respected Authority,

Dear Sir/Madam,

It is with great interest that I submit to you the enclosed resume in the hopes of securing an internship role with your company. As a current B.tech student at the Dronacharya college of Engineering with an increasingly extensive knowledge of Artificial Intelligence and coding in python .I feel confident that I would significantly benefit your organization as your next IT Intern.

In my last years of college I have developed the skills to work good in the team additionally , I believe that I will meet all the key requirements of the company and get a chance to learn and explore various dimensions of my profound areas of excellence.

In addition, I have worked on couple of projects at my college which helped me grow my skills in team collaboration, verbal communication and project leadership.

I believe I would make an excellent addition to your team. This internship would help me grow my real-world experience in the technology industry and help me further develop and refine my coding skills.

I look forward to hearing from you!

Regards,

Sanchit
